September 20, 2010

Dear Dr. Robert Fleming,

It is my honor and privilege to congratulate you on receiving the Paul S. Rhoads Humanity in Medicine award. This honor is a testament to the commitment, dedication, and compassionate care you have shown to your patients and their families.

I am encouraged to hear about the 20 great years of service you have given so generously in Richmond. I can think of no one who deserves this award more than you. You are an inspiration to your peers all over the great state of Indiana.

Best wishes as you continue your service to the Richmond Cardiology Associates and Reid Hospital. I look forward to hearing of your future success.

Sincerely,

Mike Pence
Member of Congress
Sixth District, Indiana
